**DOUBLE

The perfect twin for your spirit

Here at The Plough Inn we want to make sure we give you drinks that are packed with flavour and full of all the right stuff. It is for these reasons that we choose to serve Double Dutch in all our gin & tonics and cocktails. Double Dutch create premium tonics and mixers that use All Natural ingredients. They are also low in sugar and calories.

With bold flavours such as Cucumber & Watermelon, Pomegranate & Basil and Cranberry Tonic, the Double Dutch range aims to delight the senses. We also recommend drinking them alone too as tasty soft drinks.
